25	26	27	28 1963 March on Washington for Jobs and Freedom	29	30	31

* August 6, 1965 - Voting Rights Act of 1965: This landmark legislation aimed to eliminate racial discrimination in voting by removing barriers to voting, such as literacy tests, and requiring federal approval for changes in voting procedures in areas with a history of racial discrimination.

* August 18, 1920 - 19th Amendment to the U.S. Constitution (ratified in 1920): This amendment granted women the right to vote, ending the denial of suffrage based on sex.
